

2018—Year in Review

A Centennial to Remember

**NORTHEAST
SIGHT SERVICES**

— Since 1918 —

OUR VISION IS CLEAR:
SIGHT LOSS SUPPORT & PREVENTION™

Our mission for the past 100 years remains the same to this day, to help blind and visually impaired individuals achieve the best possible quality of life by providing compassionate services and to prevent vision loss through education and early detection for people of all ages.

*Thank you for your support this year—
we certainly would not have lasted 100 years without
the generosity of our local community!*

*We are especially grateful to all of those who stepped up and
contributed to our Centennial Challenge. We couldn't be more
excited to announce that we actually exceeded our goal and
raised over \$200,000, which will allow us to continue our
mission for the next 100 years!!*

*Welcome to the start of a new Century for
Northeast Sight Services!*

SnapShot of Services

Adjustment to Vision Loss is the core of our work—we had nearly **100 new referrals** for those dealing with low vision.

Over 170 referrals were made to blind and visually impaired individuals to **community agencies** that could be of service to them.

Just over **730 visits** were made to the **homes of clients**, providing **1336 hours** of in home support to nearly **100 blind and visually impaired clients** in need of assistance.

**Adjustment to
Vision Loss**

In Home Support

New Programs

Young Adult Program

We created both social and educational opportunities for our Young Adult Clients—ages 19-45 offering three different programs in 2018:

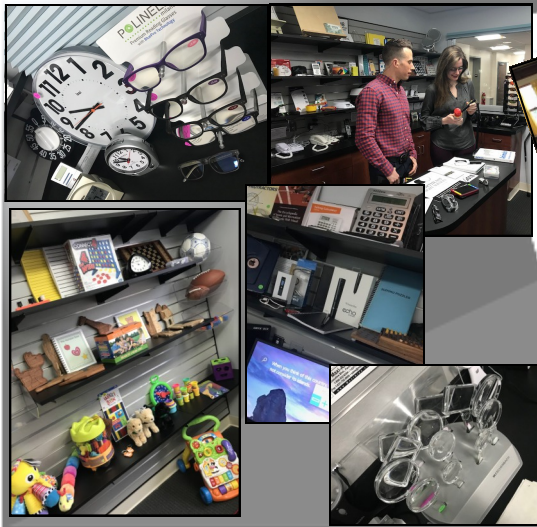

- We enjoyed a Scranton/Wilkes-Barre Railriders Game in May
- Held a Happy Hour at River Grille in October to learn about different Transportation options
- Played Holiday Trivia in December at the Woodlands Resort

Eye Learn

The **Eye Learn** program launched in April 2018 and helped provide group and individual training in assistive technology, vision rehabilitation, basic orientation and mobility, and training on the use of low vision aides. We were so proud to offer 43 Eye Learn programs with 35 clients participating!

2018

Vision Resource Center

Our newly revamped **Vision Resource Center** attracted the attention of **170 appointments/walk in visits**.

These visits created **125 customers**, resulting in over 340 low vision adaptive aid products sold!!

We screened over 5,080 children at over 130 different sites—resulting in 318 children being referred for a comprehensive eye exam.

Almost 200 adults were also screened at 17 different locations!

Over 75 C. Well Bunny Eye Education programs helped 2186 children learn about eye health and safety.

"I can't thank you enough for providing this service. Parents do often neglect to get young children's eyes tested and these screenings really catch possible issues and promote awareness."

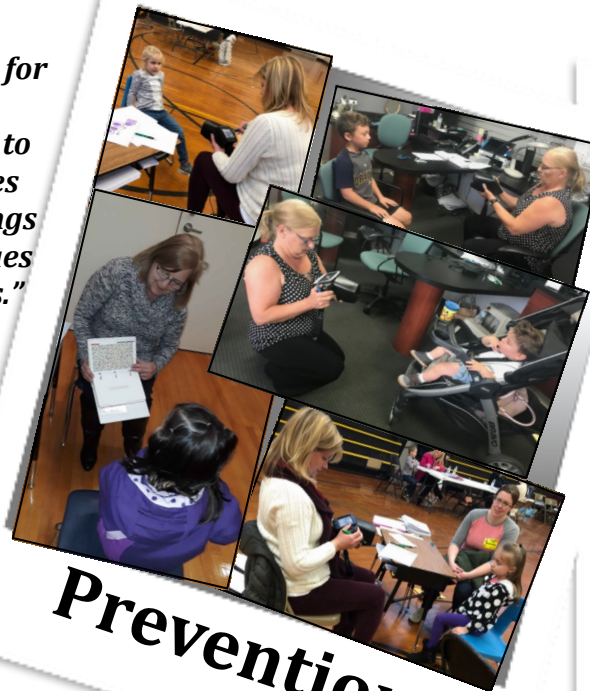

- Staff at Curious Kids Learning Center
Wilkes-Barre

InSight Kids Club of NEPA

The InSight Kids Club of NEPA now has **57 active blind and visually impaired** children who share in the following:

- **8 monthly programs** consisting of an adaptive game night, a trip to ride horse, holiday cookie baking, and much more!
- **Camp Sight and Camp Sight Junior** had nearly 20 children partake in 20 days of fun!
- **14 High School Students** participated in the nine month long **Transition Assistance program!**

Celebrating our Centennial

Reveal of New Name and Grand Opening of the Vision Resource Center

*Our year really began on **January 18, 2018** when we revealed our new name, **Northeast Sight Services**. After 99 years as the Greater Wilkes-Barre Association for the Blind, we changed our name in order for people to better understand the scope of services we offer and the area in which we offer those programs and services. We are proud to announce that the change has been a smooth transition and has been met with nothing but support from our local community residents and more importantly our clients.*

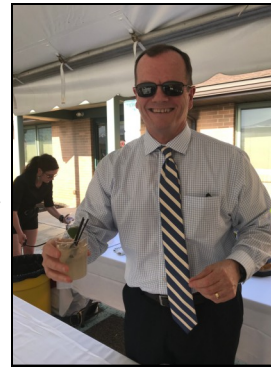

*We also unveiled our newly renovated **Vision Resource Center** on **January 18**. The Vision Resource Center is a one-stop shop for practical tools that enhance work, home life and leisure for people with vision loss. We offer products designed to make everyday tasks easier.*

Legacy Recognition Dinner

*On **May 3**, we took some time to recognize those who have tirelessly worked to ensure our agency's longevity. We created a true sensory experience for our long time supporters and Second Sight Legacy Society members. The fun evening was complete with a wine tasting, live piano music and a delicious dinner featuring a "dessert in the dark" at the Mary Stegmaier Mansion.*

Celebrity Bartending Partnership Happy Hour

*On **May 24**, we had over 100 individuals at our offices enjoying a great night out celebrating our Centennial. Serving up specialty drinks, we also had 11 local eye care and medical professionals celebrity bartending for the evening! Special thank you to Eye Care Specialists for sponsoring this wonderful event and helping to highlight our important work as well as getting the opportunity to showcase our Vision Resource Center.*

Centennial in Style!

The 6th Annual Chip in for Sight Golf Tournament was held on Monday, June 4 at Fox Hill Country Club. This tournament was our most successful to date, helping raise over \$52,000 for Northeast Sight Services! Thank you to all of our golfers, sponsors, volunteers and staff who made this such an amazing day!

Be sure to Save the Date for our 7th Annual Tournament to be held on Monday, June 3, 2019!

Special thanks to our hard working Golf Tournament Committee!

Back to School Vision Screening

*Partnering with local Allstate agents and the Allstate Foundation, we organized a Back to School Vision Screening program for students of all ages. This event, held on **August 16**, encouraged parents/guardians to make sure eye health was part of their back to school checklist! All participating children received a free backpack, courtesy of Allstate, filled with necessary school supplies after they had their vision screened. We can't thank the group at Allstate enough for making this such a wonderful event for the families who joined us!*

**All culminating to our 100th Centennial
Celebration...**

Centennial Celebration

November 8, 2018 marked the 100th Birthday of Northeast Sight Services and we celebrated our Centennial in style at the Woodlands Resort. We paid tribute to everyone who has been honored at past events for their incredible efforts in helping us achieve a century of service to the local community (we encourage you to visit our website and Facebook page to enjoy the Centennial videos we created to honor all of these amazing individuals and organizations).

SECOND SIGHT LEGACY SOCIETY

The Second Sight Legacy Society has been established to ensure that the programs and services provided by Northeast Sight Services will continue in perpetuity in Northeastern Pennsylvania. A gift through the Legacy Society will be invested with Northeast Sight Services' professionally managed endowment.

The greatest benefit of belonging to the Legacy Society is the satisfaction in knowing that your long-range plans will help future generations that may require Northeast Sight Services' life-changing services. In 2018 we took a good hard look at everyone who had made a contribution via a bequest throughout the agency's 100 years. We are so proud to list all of those contributors, along with who has intended to follow in their footsteps.

GIFT OF SIGHT

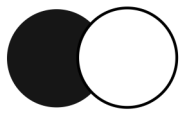

The *Gift of Sight* program through the Marilyn Moore Maslow Vision Resource Center ensures individuals in our local community have access to a basic eye exam, regardless of family income or insurance coverage. Local eye care professionals partner with the us in the Gift of Sight program by agreeing to waive their examination fee for qualifying patients.

Last year, we were proud to partner with the following eye care professionals who were willing to provide basic eye exams for those in need.
